60TH ANNIVERSARY

The American Turkish Society's mission is to enhance business, economic, political and cultural ties between Turkey and the United States. The Society fosters understanding and cooperation between the two countries through education, cultural exchange, and networking; informs the American public about Turkey's current affairs, economy, history and society; supports programs highlighting Turkish arts and culture; and develops philanthropic initiatives, especially in the form of disaster relief in Turkey.

Founded in 1949 by a group of visionaries, The American Turkish Society is celebrating its 60th anniversary this year as the oldest institution dedicated to building bridges between Turkey and the U.S. in order to achieve common goals of peace and prosperity.

The American Turkish Society is a 501(c)(3) non-profit organization.
